along no later than
Friday 2nd Nov

It just gets bigger and better every year!

Staff at Godstone Farm will show youngsters visiting the facility over Halloween how to make their own pumpkins. And the fun doesn't stop there - Godstone Farm has laid on a whole host of spooky goings on including a spine tingling journey through a haunted area where, who knows, ghosts and ghouls may just be waiting at every turn!

Warringham School took part in a whole-school sponsored walk to raise money to enhance the lunchtime experience for students by creating additional indoor and outdoor seating and facilities. Both students and staff took part in this annual fundraising event, walking the 15km route with high spirits and Staff, Sixth Formers and parents also contributed to the smooth running of the day, by marshalling, manning checkpoints and running refreshment areas. Money raised by the walk in previous years made it possible for the school to purchase equipment for a Fitness Suite, providing the latest gym equipment for student use. The Suite is used during the school day and as an after-school club which is supervised on a voluntary basis by staff. Since its opening, the Fitness Suite has been a huge success.

Ofsted praise for Moor House School

Principal Hilary

Members of the School Council of the Moor House special school in Hurst Green read all about the glowing Ofsted report that has been issued about their facility.

The school was inspected by Greg Sorrell and his

colleagues in September and in his report Mr Sorrell tells pupils, staff, parents and governors: "Moor House is a good school with outstanding features. The pupils' personal development and well-being are excellent, enabling them to make good progress and achieve a wide range of accreditation on leaving school. "The pupils' behaviour is excellent. They know about staying healthy, enjoy their lessons and feel safe in an environment where they can learn and have their special educational needs addressed."

The Ofsted inspectors also praise Moor House principal Hilary Dobbin saying she 'has shown excellent leadership and management' and that the school's 'quality of teaching and learning is good.'
