

Moor House School News and Events

Running Club

Wednesday 28th November 2007

On Wednesday the 28th November, Mr Carroll and Mrs Davis-Smith took six students to Richmond Park to take part in an inter-schools cross country challenge. Students had been attending weekly training sessions to improve their fitness for this event. Despite the cold weather and the difficult course, our students ran with great determination. Two members of our team finished in the top 20 (out of approximately 70 students) and received medals.

However, more importantly, every one of our MHS students participated with enthusiasm and showed great team spirit by cheering and encouraging one another. We were delighted to be placed fifth out of eight schools and left the park feeling proud of ourselves and proud of our school. Now we are looking forward to the next challenge where we hope to improve on our performance!
