

Moor House School News and Events

Tim Stockman, Ex-Student, comes to visit!

9th February 2008

Tim Stockman, ex pupil, was at Moor House School from 1974 to 1979. He liked going to speech therapy every day in the old clinic (now the OT block). He made use of the old swimming pool and liked being in small classes of children. Tim looked forward to going home every half term and at home weekends.

Tim still regularly keeps in contact with the school and likes to come and visit. He comes every year to the Fete to meet up with old friends.
