

Moor House School News and Events

The Year 11 Leavers Meal

Wednesday 23rd June 2010

On Wednesday 23rd June the Year 11 Leavers had pre-dinner drinks in the quad, and then visited The Greek Taverna in Carshalton, Surrey, for the first of a number of events to mark their impending departure from Moor House School.

The entire evening had been organised by the students, with support from the Speech and Language Therapists and the Residential Care Team, from the choice of venue down to the seating plan, and of course the method of transport!

We were driven in style to the restaurant in an enormous red double-decker bus - and the driver seemed to choose the narrowest and windiest route possible, but this only added to the experience!

On arrival at the restaurant we enjoyed drinks and delicious starters, followed by hearty main courses interspersed with speeches from students and staff.

Then of course it was time for the obligatory plate smashing and Greek dancing, which was thoroughly enjoyable and made for a brilliant end to a wonderful evening!

Thanks are due to the students who organised this event, and the staff who facilitated it.
