### **Examination Results**

The exam results for 2011 were once again excellent. One student achieved eight GCSE passes, three achieved six passes and one student achieved six.

Girls did as well as boys and overall the cohort was very successful in achieving their target grades.

The vast majority of students transferred to their chosen post 16 destinations.

## DAY STUDENTS

The school now has five day students and it is expected that more will be joining us in the future.

### MOOR HOUSE ART WORK IN KIM'S BISTRO

If you find yourself in Oxted why not pop in to Kim's Bistro in Station Road East and relax over a coffee whilst you take in the delightful art work displayed on the walls.

Thanks to Mrs Greig, our Art coordinator, art work produced by our very own talented students is on display for the public to see.

Kim, the owner, has reported her customers have taken a keen interest in the paintings and drawings and expressed a real appreciation of the high quality of the work on show.
