CANCELLATION POLICY:

The Host will pay the Fees as per the agreed schedule. If the Host cancels the course at any time up to 21 days prior to the date of the course, the Host will not be obliged to pay the Fees, or any part of the Fees. If the Trainer cancels or does not attend on the agreed date, we will endeavour to send a replacement trainer, or re-schedule the training. If the Host and the Trainer are unable to agree a replacement trainer or a revised date then any fees already paid by the Host to Moor House School & College will be refunded. Moor House School & College will not be responsible for any other costs incurred whatsoever.

MAKATON RESOURCES:

The Makaton Charity publishes a variety of useful resources. These can be purchased separately by the Host or individual directly from the website www.Makaton.org. However, these are not required materials for the above training courses.

SET-UP:

The ideal set-up is a single horseshoe of chairs at front of training space facing a table and chair for the Tutor's use. Ideally the projection of training slides should be on the wall behind the Tutor. However, the Tutor can work around whatever will fit best in the room.

Certificates of attendance will be handed directly to the attendees/host at the end of the course.

FEEDBACK:

Feedback will be requested in two forms:

- a) directly to the Makaton Charity via online link per attendee
