

# The Shape Coding System Accredited Course (Part 1)

This course is suitable for those with limited or no prior knowledge of the Shape Coding System and is aimed at Speech and Language Therapists and teachers, although others are welcome to attend.

The course teaches attendees the basics of the Shape Coding System and how to use it with children who have language difficulties. It includes practical sessions to improve understanding of the system and ideas for how to introduce it to children in the classroom or small groups.

During the day you will learn:

- » About Shape Coding and other visual coding systems
- » The basic colours of the Shape Coding system
- » The shapes of the Shape Coding system
- » The arrow system of Shape Coding
- » The evidence base for Shape Coding

**Date(s):** 14th March & 16th May 2019

**Venue:** Moor House School & College, RH8 9AQ

**Cost:** £175 (includes lunch)
