

The Shape Coding System Accredited Course (Part 2)

This course is suitable for those who have either attended the Shape Coding system part 1 course or who have read the published articles and used the system with a range of children.

It is aimed at Speech and Language Therapists and Teachers who have further questions and who wish to advance their knowledge of the Shape Coding system.

This course is tailored to the attendees' need but is likely to cover:

- » When to put a shape inside or outside of another
- » Advanced verb work
- » Complex sentences
- » Pronouns

Date(s): 2nd July 2019

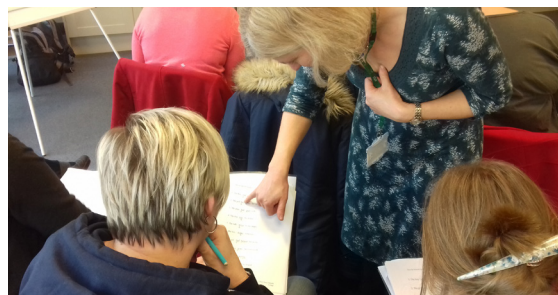

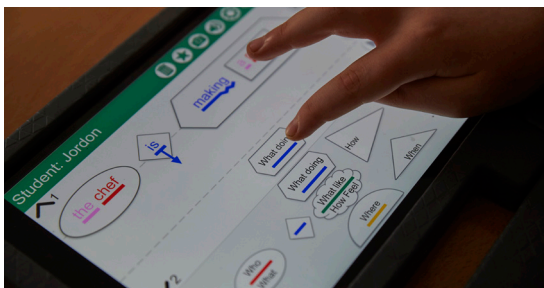

Venue: Moor House School & College, RH8 9AQ

Cost: £200 (includes lunch)

To book please contact training@moorhouseschool.co.uk

“Shape Coding has been the most amazing revelation to my working”

Attendee Feedback

Course Leader: Dr Susan Ebbels

Dr Susan Ebbels is a Speech and Language Therapist and Director of the Moor House Research and Training Institute. She is on the editorial boards of the International Journal of Language and Communication Disorders and Child Language Teaching and Therapy. She also has an honorary position at UCL and is a specialist advisor to the Royal College of Speech and Language Therapists.

She is passionate about the need for evidence based practice in Speech and Language Therapy and in particular improving the comprehension and production of grammar in children using her Shape Coding System.
